

Ode to Me, Meself, Myself

Dangerous is not a word to describe me because I'm a cautious individual, almost to the point of ridicule.

All of my confidence comes from the woman my parents raised me to be.

Never in my life have I ever felt truly alone, because I believe in my Savior.

If I ever find myself in a tight spot, my Daddy will come and get me, whether I am 2 or 2000 miles away.

Easily, my mother is my hero, and I have become her champion.

Little do people know that I have many fears that I never let on to,

Least of all: bugs, heights, commitment, boys in general, disappointing my parents, and fear itself.

Even amidst all of this, I am a loved and blessed individual.
