

Ode to Lisë

Likes him

If he

Shows how

Essential he believes women to be.

Ode to Eric

Even if you're

Really strong

I guarantee he

Can kick your butt.

Ode to Marcus

Mainly he talks

A lot, but he

Really

Cares about his family

Usually all the time but

Sometimes only if we talk about Star-gate with him.

Ode to Michelle

Mainly she whines

If she doesn't get her way but she

Can also be very sweet if you

Have the patience to love her for her uniqueness and

Especially for her joie de vivre.

Listen to her guffawing laugh

Like lava erupting from an active volcano.

Easily, one of the quirkiest eleven year olds you will meet!
